MEDICAL COLLEGE OF BENGAL

RULES FOR THE GUIDANCE OF STUDENTS SEEKING ADMISSION.

1. Three classes of students are admitted for study in the College :—

(a) "Regular," or those who enter for the full University course.

The admission to this class is restricted to students (male and female) who are natives of, or whose parents are domiciled in, the area within the territorial limits of the Calcutta University, and the province of Bihar and Orissa.

(b) "Casual," or those who enter for selected or isolated subjects.

(c) "Military Class" (only students of European or Eurasian parentage are admitted to this class). (See separate Prospectus for military students.)

The admission to this class is regulated by the Director-General, Indian Medical Service.

2. The minimum preliminary qualification for admission to the—

(a) "Regular Class" is the I. Sc. Pass certificate of the Calcutta University.

N.B.—This rule does not apply to female students.

(b) "Casual."—The Matriculation or Entrance Pass certificate or the Calcutta or other Indian Universities, or the Pass certificate of an examination equivalent to the Matriculation of Entrance Examination.

3. The session commences on the 15th June.

4. All new students must apply for admission to the Principal, Medical College, Calcutta, in the prescribed form available in his office, before the 25th May, except in the case of Biharis, Uriyas, Chota-Nagpuris and Assamese students, who should apply to the Inspectors-General of Civil Hospitals of their respective provinces for admission within such date as the latter may prescribe.

Selected candidates must pay the following fees on or before the 10th June, failing which their names will be struck off the selected list :—

			Rs. A.
Admission fee	20 0
Fees for Summer term	62 8
Athletic Club fee	1 0
		Total	83 8

5. The number of Regular students to be admitted each year is generally 120, but the Principal may, at his discretion, increase or decrease this number. Preference for admission will usually be given to candidates who have superior qualifications, but the final selection lies entirely with the Principal.

One-fourth of the total number to be admitted shall be Muhammadans. Twelve candidates will be nominated by the Inspector-General of Civil Hospitals of Bihar and Orissa, and six candidates by the Inspector-General of Civil Hospitals of Assam. These candidates must possess the qualifications mentioned in rule 2 (a). In addition, the Bihar and Orissa Government will nominate six scholars who, after 1918, must possess the I. Sc. Pass certificate. These nominations must reach the Principal, Medical College, Calcutta, before the 10th June in each year, failing which the Principal will fill up vacancies with local candidates.

6. Female students of Bengal, Bihar and Orissa, Assam and Burma, belonging to the Calcutta University will be admitted to the College, provided they possess the requisite preliminary qualification and provided there is a vacancy in the Surnomoyee Hostel in which all female students must reside.

7. Failed students must apply for admission and pay fees before the 15th May, otherwise their prior claim lapses.

8. All Regular students must pay an annual fee of Rs. 125 in two instalments, viz., Rs. 62-8 for the Summer term and Rs. 62-8 for the Winter term. Fees once paid cannot be refunded.

9. The fees for each term are to be paid in one instalment. Except in the case of new students, the fees for Summer term are due on the 15th June and those for the Winter term on the 1st November, and must be paid on those dates on or such subsequent dates as the Principal may direct, after which a daily fine of annas 4 will be levied along with the fee in each case of default.

10. All Regular students excepting the female students must pay an annual fee of Re. 1 to the Medical College Athletic Club along with the fees for the Summer term.

11. Students relegated to a further course of study after their failure at the Preliminary Scientific M. B. and at the First M. B. Examinations shall pay Rs. 80 for the whole session in one instalment by the 1st June.

12. Students taking up subjects outside the curriculum of the year in which they are studying shall pay Rs. 30 for each subject, including lectures and practical classes.

13. The fees for Casual students or for certificates issued to Regular students leaving the College before completing their study, or for those issued to military students, shall be Rs. 40 per each course of lectures and practical classes and Rs. 80 for every three months of hospital practice.

14. Students who fail at the Final M. B. Examination shall pay fees for the whole session at the following rates in one instalment by the 1st June:—

	Rs.
For one subject	25
For two subjects	50
For three or more subjects	75

15. In calculating the sum to be paid under rule 12 by a Regular student, the amount of College fees paid by him, or in the case of a student enjoying a stipendiary scholarship and free tuition, the amount which would have been paid by him had he been a paying student shall be deducted.

16. The fees payable by a Muhammadan student requiring certificates in the same way will be calculated on the same principle, i.e., he will be allowed a deduction for the full annual fee, half of which has been paid by himself and half by the Mohsin Fund.

17. Students of the Military class requiring certificates in the same way will be required to pay the rate of fees laid down in paragraph 12 for the full curriculum or for such portion as they have attended. No deduction will be made in this case as they are not free students in the sense in which that term is defined in Bengal Government resolution (Education) No. 601 of the 7th December 1880.

18. The fee for post-graduates undergoing a course of training in the Pathological, Bacteriological, Physiological or Chemical Laboratory is Rs. 90 for a period not exceeding six months.

19. Holders of scholarships awarded by the Government of Bengal are not required to pay the annual fee of Rs. 125 for the year in which they hold such scholarships. All holders of other scholarships, whether granted by other Local Governments, local bodies, or Dufferin Funds shall pay the same fees as Regular students.

20. The following are the curricula of the College :—

(e) Special scholarships for Bihari and Uriya students—Six scholarships of Rs. 12 each to six students from Bihar and Orissa, tenable for six years from the date on which the students enter the College, are awarded by the Inspector-General of Civil Hospitals of Bihar and Orissa.

(f) *Mohsin Scholarships*.—Six stipends of the value of Rs. 15 each, tenable in the Medical College, Calcutta, are annually awarded by the Director of Public Instruction, from the Mohsin Endowment Fund, to deserving poor Bengali Muhammadan students in the following manner:—

Two scholarships, on admission, tenable for one year only, on the result of the I.Sc. Examination.

Two scholarships, tenable for two years, on the result of the Preliminary Scientific M. B. Examination.

Two scholarships, tenable for three years, on the result of the First M. B. Examination.

(g) A limited number of scholarships will be granted to Muhammadan students of straitened circumstances who must prove to the satisfaction of the Principal that they are too poor to pay the College fees.

22. If on account of the death, resignation or dismissal of any College scholar, a scholarship falls vacant, such scholarship will be awarded to the next best student in the list of the last Scholarship Examination, or to such other student as the Principal may consider fit.

23. Holders of the College scholarships, any other Government scholarships or Trust Fund scholarships administered by Government, are not eligible for the Durga Charan Laha Scholarship. Similarly, a student already holding a scholarship, either on the result of the University examination or granted by any other Government, is not eligible to compete for the College scholarships.

24. Regular students, who at any time are referred for a second year of study in all the subjects of one curriculum, are thereby rendered ineligible for any of the stipendiary scholarships awarded by the Government of Bengal. They are, however, eligible for the special scholarships and class prizes and medals and certificates of honour of the College.

25. Certificates of honour, to the number of three in each subject, may be awarded by the professors, subject to the sanction of the Principal, to such students who have not obtained the medal, but are deemed worthy of it.

declared to have passed the entire examination for the Membership of the Faculty:—

Bandyopadhyay, Dharendraanath ... Medical College, Calcutta.

G. C. MOOKERJEE, *Secretary*.

GROSVENOR HOUSE, the 22nd May 1920.

THE GOVERNMENT COMMERCIAL INSTITUTE.

The Day Course.

1. There is a specialized Day Course extending over two years. Candidates who have passed the Matriculation Examination are eligible for admission. Others are admitted, provided they satisfy the Education Department, by passing a preliminary test examination of a similar standard, that they have sufficient general education to enable them to derive advantage from the teaching.

2. Compulsory subjects:—

- (a) English (modern), and especially English Correspondence, including Commercial Correspondence, letter-drafting and precise-writing.
- (b) Arithmetic, including Commercial and Mental Arithmetic.
- (c) An Indian vernacular.
- (d) Commercial Geography.
- (e) Book-keeping (Junior).

For an Indian vernacular, the Institute provides a thorough training in Bengali. Students taking up any other vernacular are given directions for the examination for which they have to prepare themselves. Anglo-Indian candidates who have passed the Higher Standard examination in an Indian vernacular held by the Inspector of European Schools, Bengal, or who have passed the Lower Standard examination in an Indian vernacular held by the Board of Examiners, will be further examined in the same vernacular in the following manner:—

- (1) They will be examined orally to test their command of the vernacular for the ordinary purposes of business.
- (2) They will have to translate into English a business letter dictated in the vernacular, and will be examined in both the dictation and translation.

3. **Optional Subjects.**—Shorthand and Typewriting—(A candidate may take up one or both, according to his option).

A student must take up all the compulsory subjects and must pass in each to obtain the final certificate. The marks obtained in the Optional Subjects—Shorthand and Typewriting—are counted towards a prize.

4. **Examination.**—At the end of the first year's course, an examination is held to determine promotion to the second year class and to decide the award of scholarships. At the end of the two years' course the final examination is held towards the end of April or the beginning of May. A candidate who fails in one of the five compulsory subjects is not eligible for a pass certificate. A candidate who fails in one subject only in the final examination may appear again in the final examination in the following year in that subject without attending the class. A candidate who fails in only two subjects in the final examination may appear in the final examination in the following year in those subjects, provided that he attends the classes in those subjects.

A candidate who attends a final examination to be examined in a subject in which he has previously failed must pass again in English, if English was not a subject in which he had failed, in order to obtain the diploma.

5. Text-books.—The following text-books are prescribed:—

- (a) English—Hooper and Graham's "Home Trade".
- (b) Arithmetic—Grant and Hill's "Commercial Arithmetic" and "Mental Arithmetic".
- (c) Bengali—"Kapalkundala" by Bankim Chandra Chatterjee.
- (d) Geography—"Commercial Geography of the World" by A. J. Herbertson, "A Short Commercial Geography" by L. W. Lyde, "A School Economic Atlas" by J. G. Bartholomew and "A New Geography of the Indian Empire, Burma and Ceylon" by Morrison.
- (e) Book-keeping—Arthur Fieldhouse's "Complete Book-keeping."
- (f) Shorthand—Pitman's Shorthand Instructor, Centenary edition.

The text-books cost about Rs. 25.

6. Session and Fees.—The session begins about the end of June and closes about the end of April. The usual summer and Puja vacations are given. The students have to pay an admission fee of Rs. 3 and monthly tuition fee at the rate of Rs. 3 beginning from June. The final examination fee is Rs. 8. Tuition fees are to be paid monthly in advance after admission.

7. Attendance.—Strict regularity of attendance is enforced. Students attending less than 75 per cent. of the lectures are debarred from promotion to the second-year class or from appearing at the final examination. Classes are held from 10-30 A.M. to 4 P.M. with half-an-hour's interval daily from 1-30 to 2 P.M. On Saturdays classes are held from 10-30 A.M. to 1-30 P.M.

8. Scholarships and Prizes.—Three scholarships of Rs. 12 each per mensem, tenable for one year, are awarded to those students of the first-year class who, amongst those admitted, have secured the highest marks in English at the Matriculation Examination of the Calcutta University. Three scholarships of Rs. 20 each per mensem, tenable for one year, are awarded to those students of the second-year class who obtain the highest total marks at the examination held at the end of the first-year's course. Holders of Junior and Senior scholarships at the Matriculation Examination are not eligible for these scholarships. The best two students in the final examination at the end of the two years' course obtain prizes of Rs. 75 and Rs. 50, respectively, offered by the Bengal Chamber of Commerce. The Remington Typewriter Co. present medals to the best three students in typewriting at the final or special examination.

9. Successful candidates are eligible for posts in the lower grade Secretariat Service.

10. Applications for admission must reach the Principal before the 30th June every year. As only a limited number can be enrolled, priority of application is considered.

In the examination the tests are at four grades of speed, 80, 100, 120, 140 words per minute, and at higher speeds if candidates can write more rapidly. Classes are held daily from 6 P.M. Fees are the same as for (c).

The fee is Rs. 144 payable in advance in four half-yearly instalments of Rs. 36 each in the case of ordinary students and Rs. 72 in two half-yearly instalments of Rs. 36 each, in the case of those who are practising as auditors and hold a provisional license granted by Government.

2. **Examinations.**—The examination in subjects (a) to (j) is held at the end of April at the end of the year's course under the control of the Government Commercial Institute Board, and successful candidates receive certificates signed by the Director of Public Instruction, Bengal, and countersigned by the Secretary to the Bengal Chamber of Commerce. The examination fee for each subject is Rs. 5.

3. **Attendance.**—Strict regularity and punctuality of attendance are observed. Students must attend 75 per cent. of the lectures in order to appear at the examination. Classes are not held in the evening on Saturday.

Three medals are offered by the Remington Typewriter Co. to the best three students of either the day or evening classes in the Typewriting examination.

6. **Admission.**—Candidates for admission should send in their applications and register their names, with a deposit of fees, before the end of June. Candidates who desire to be admitted in December should apply before the end of November.

THE GOVERNMENT COMMERCIAL INSTITUTE.

The Day Course.

1. There is a specialized Day Course extending over two years. Candidates who have passed the Matriculation Examination are eligible for admission. Others are admitted, provided they satisfy the Education Department, by passing a preliminary test examination of a similar standard, that they have sufficient general education to enable them to derive advantage from the teaching.

2. Compulsory subjects :—

- (a) English (modern), and especially English Correspondence, including Commercial Correspondence, letter-drafting and precis-writing.
- (b) Arithmetic, including Commercial and Mental Arithmetic.
- (c) An Indian vernacular.
- (d) Commercial Geography.
- (e) Book-keeping (Junior).

For an Indian vernacular, the Institute provides a thorough training in Bengali. Students taking up any other vernacular are given directions for the examination for which they have to prepare themselves. Anglo-Indian candidates who have passed the Higher Standard examination in an Indian vernacular held by the Inspector of European Schools, Bengal, or who have passed the Lower Standard examination in an Indian vernacular held by the Board of Examiners, will be further examined in the same vernacular in the following manner :—

- (1) They will be examined orally to test their command of the vernacular for the ordinary purposes of business.
- (2) They will have to translate into English a business letter dictated in the vernacular, and will be examined in both the dictation and translation.

3. **Optional Subjects.**—Shorthand and Typewriting—(A candidate may take up one or both, according to his option).

A student must take up all the compulsory subjects and must pass in each to obtain the final certificate. The marks obtained in the Optional Subjects—Shorthand and Typewriting—are counted towards a prize.

4. **Examination.**—At the end of the first year's course, an examination is held to determine promotion to the second year class, and to decide the award of scholarships. At the end of the two years' course the final examination is held towards the end of April or the beginning of May. A candidate who fails in one of the five compulsory subjects is not eligible for a pass certificate. A candidate who fails in one subject only in the final examination may appear again in the final examination in the following year in that subject without attending the class. A candidate who fails in only two subjects in the final examination may appear in the final examination in the following year in those subjects, provided that he attends the classes in those subjects.

A candidate who attends a final examination to be examined in a subject in which he has previously failed must pass again in English, if English was not a subject in which he had failed, in order to obtain the diploma.

5. **Text-books.**—The following text-books are prescribed:—

- (a) English—Hooper and Graham's "Home Trade".
- (b) Arithmetic—Grant and Hill's "Commercial Arithmetic" and "Mental Arithmetic".
- (c) Bengali—"Kapalkundala" by Bankim Chandra Chatterjee.
- (d) Geography—"Commercial Geography of the World" by A. J. Herbertson, "A Short Commercial Geography" by L. W. Lyde, "A School Economic Atlas" by J. G. Bartholomew and "A New Geography of the Indian Empire, Burma and Ceylon" by Morrison.
- (e) Book-keeping—Arthur Fieldhouse's "Complete Book-keeping."
- (f) Shorthand—Pitman's Shorthand Instructor, Centenary edition.

The text-books cost about Rs. 25.

6. **Session and Fees.**—The session begins about the end of June and closes about the end of April. The usual summer and Puja vacations are given. The students have to pay an admission fee of Rs. 3 and monthly tuition fee at the rate of Rs. 3 beginning from June. The final examination fee is Rs. 8. Tuition fees are to be paid monthly in advance after admission.

7. **Attendance.**—Strict regularity of attendance is enforced. Students attending less than 75 per cent. of the lectures are debarred from promotion to the second-year class or from appearing at the final examination. Classes are held from 10-30 A.M. to 4 P.M. with half-an-hour's interval daily from 1-30 to 2 P.M. On Saturdays classes are held from 10-30 A.M. to 1-30 P.M.

8. **Scholarships and Prizes.**—Three scholarships of Rs. 12 each per mensem, tenable for one year, are awarded to those students of the first-year class who, amongst those admitted, have secured the highest marks in English at the Matriculation Examination of the Calcutta University. Three scholarships of Rs. 20 each per mensem, tenable for one year, are awarded to those students of the second-year class who obtain the highest total marks at the examination held at the end of the first-year's course. Holders of Junior and Senior scholarships at the Matriculation Examination are not eligible for these scholarships. The best two students in the final examination at the end of the two years' course obtain prizes of Rs. 75 and Rs. 50, respectively, offered by the Bengal Chamber of Commerce. The Remington Typewriter Co. present medals to the best three students in typewriting at the final or special examination.

9. Successful candidates are eligible for posts in the lower grade Secretariat Service.

10. Applications for admission must reach the Principal before the 30th June every year. As only a limited number can be enrolled, priority of application is considered.
